Clients attend three to five days a week, from 9:00 AM to 2:00 PM. Each individual is seen by the program psychiatrist once or twice a week, depending on need. Transportation is available.

REFERRAL PROCESS

For immediate assistance and access to care, referring therapists and potential patients may call the Intake Department, 24 hours a day, 7 days a week, at 800-22ACCESS (222-2250) or the Partial Program Director, at (781) 871-6550. To refer a patient to partial hospitalization, you may obtain prior approval from the patient's insurance company before contacting the Intake Department, or we can do an on-site evaluation and contact the insurance company with information needed for authorization.

Referrals are accepted from hospital inpatient units, mental health clinicians, family members and self referrals.

DESCRIPTION OF PROGRAM

The Adult Partial Hospitalization Program (APHP) is a day program providing mental health care for adults, ages 20 and older, who have behavioral, psychiatric and/or neuropsychiatric difficulties.

The program offers a full range of services, including multidisciplinary evaluation and treatment, a highly structured milieu, and coordination of continuing care needs.

The purpose of a partial hospitalization program is to prevent a psychiatric hospitalization and/or to provide an extended period of restabilization after an inpatient stay. The APHP, located at Arbour Counseling Services in Rockland, provides older adults with comprehensive evaluation and treatment planning, medication management, psychoeducation and family counseling as indicated. Members of the program enjoy being with others in group therapy.

ADMISSION CRITERIA

- 20 years of age or older
- Have emotional or psychiatric symptoms that are severe enough to require intensive treatment in order to restore functioning
- Not actively suicidal or homicidal or unable to contract for safe behavior
